

# MARSHAL'S OFFICE AND RESTAURANT

## LIST OF PARTS:

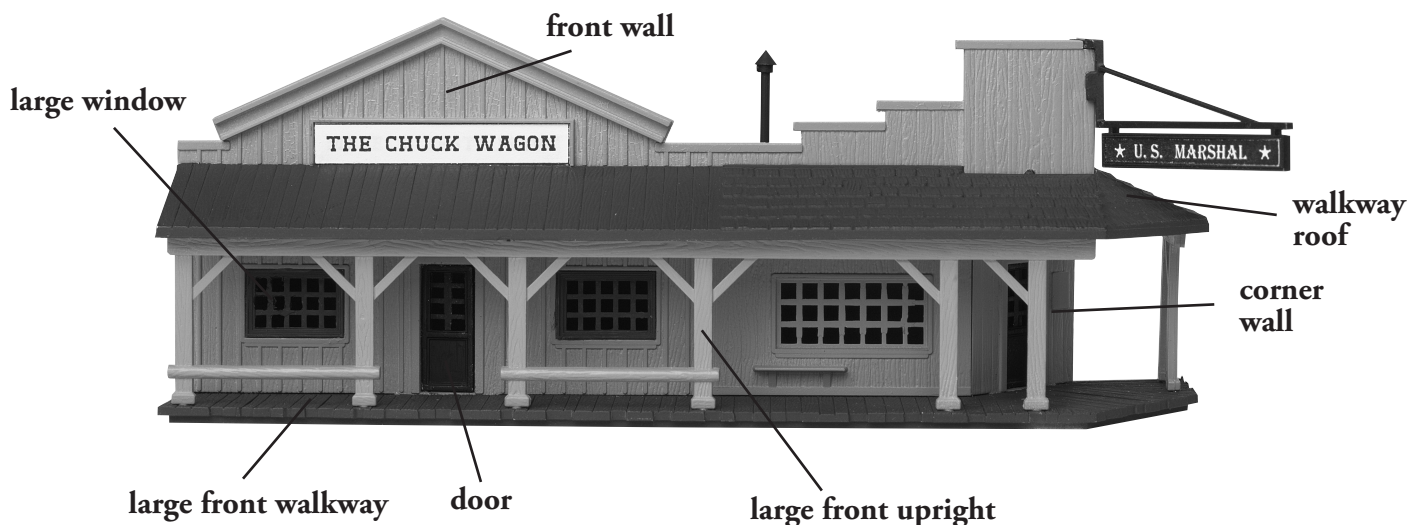

1 main roof	1 large front walkway	1 small window
1 front wall	1 small rear walkway	4 large windows
1 rear wall	1 walkway roof	2 doors (1 left-hand & 1 right-hand hinge)
2 side walls	1 small corner upright	2 kegs
1 smokestack	1 large front upright	1 barrel
1 corner wall	1 hanging sign	1 sticker sheet

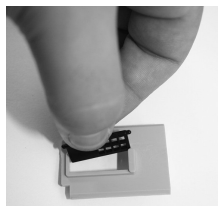

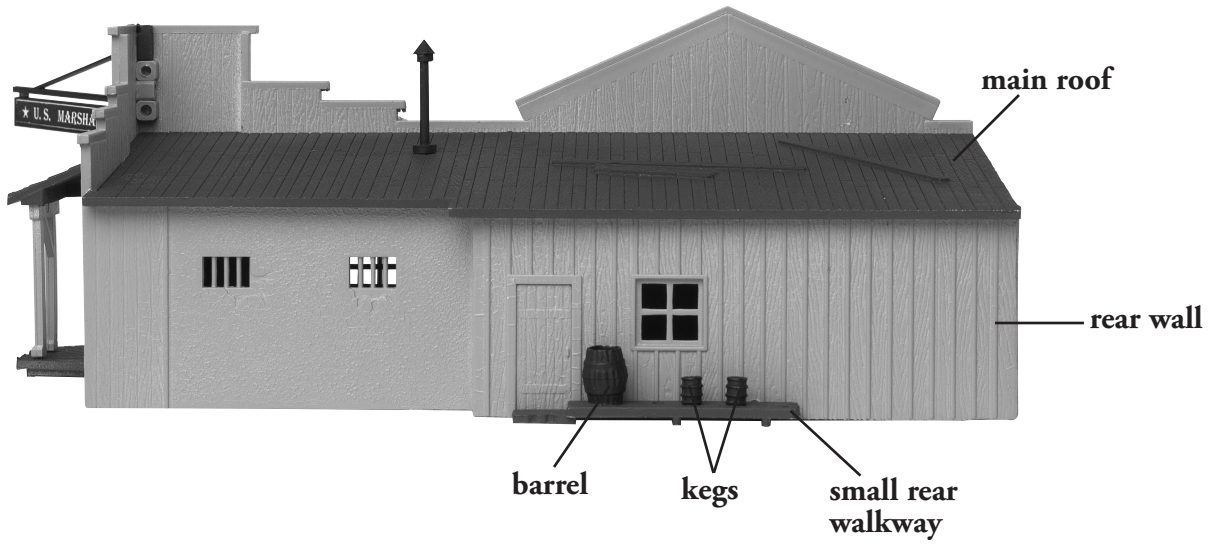

## BEFORE STARTING:

- Check parts against list above.
- Carefully trim any excess plastic from the parts before assembling.
- You may wish to add a few drops of styrene cement to joints for permanent construction.

## ASSEMBLY INSTRUCTIONS: (use photos as a guide)

- With large tab at top, place window tab into opening from outside of wall first, and then snap window in place. Repeat for all windows.
- From inside walls, line up doors with hinge pins at top and bottom (1) (making sure the finished side faces outward and windows are toward top of door), drop door down so it hangs by hinges (2), and then gently snap under center tab before closing door (3 and 4). See photos 1, 2, 3, and 4 on reverse side.
- Apply sign stickers to hanging sign and billboard area on front wall as shown.
- Snap walls together matching A to A, B to B, etc. (Walls marked inside ends.)
- Slide corner wall up into corner of building.
- Press front wall door sill and entrance door sill into slots in walkway.
- Push large front upright and small corner upright into holes in outer edge of walkway.
- Press walkway roof into the (4) holes in front wall and drop over top bar of uprights, making sure uprights fit securely into slots on the underside of roof.
- Hang sign over entrance by sliding down into corner.
- Push barrel and kegs into rear walkway and snap into place. Arrange in holes as desired.
- Insert smokestack in roof and drop roof into position.
